

FPL 2012

22nd International Conference on Field Programmable Logic and Applications
Oslo, Norway, Aug. 29-31, 2012

Call for Sponsors

Dear Colleague,

We would like to invite you to sponsor the 22nd issue of the FPL conference (www.fpl2012.org) which will be held from August 29-31, 2012, at the University of Oslo, Norway. By becoming a vital FPL contributor, you will have the great opportunity to display your company and products at the largest annual event dedicated to FPGAs and reconfigurable logic.

FPL is an established forum to bridge academia with industry and by hosting the conference in Oslo, the industrial capital of Norway, easy access for participants from Scandinavia and the rest of Europe is guaranteed. At FPL, you will get in touch with the best international students in the field which might become your future customers or staff. Furthermore, FPL is well known to attract industrial spectators interested in the latest advances in reconfigurable technology.

With your sponsorship, you will help us in keeping registration fees low while providing an excellent program, hence convincing even more attendees to join FPL. Moreover, you are invited to actively contribute with a booth and/or hands-on tutorial to display your products.

To confirm your sponsorship or to clarify special needs do not hesitate to contact us.

Sincerely

Jim Torresen and Dirk Koch (jimtoer@ifi.uio.no, koch@ifi.uio.no)
