

From OSL (airport Gardemon) to the Radisson Blu Scandinavia Hotel (Holbergsgt. 30), you should take the first available train to Oslo. Hop off before at Oslo S (main station). Follow the signs to Traffikkanten. Outside the train station, you see the scenario below. Follow the red line to the tram stop and take tram 17 or 18 (to Riskhospitalet) and hop off at “Holbergs plass”.
You can buy tickets at 7-Eleven or Narvesen Kiosks that are also located in the train station. They should accept foreign credit cards. Remember to activate your ticket inside the tram!

To get into the hotel, you have to walk around the block (Note that this Hotel has the coolest sky bar in Oslo):

Note that **the same trams (17, 18) continue further to the FPL venue (stop Forskningsparken)**!

As an alternative, (for people with not too heavy luggage), you can leave the train at “National Theater” and leave the station through the exit Karl Johans Gata. You will then see the fountain mentioned on the next page. Its about 5-10 minutes walk (GPS coordinates: 59.91841 10.73338)

If you want to **go from the Hotel to the banquet** (the boat leaves at 18:30), go down Holbergs gate, when reaching the front of the castle turn left and follow Karl Johans gata. At the beginning of that road you see a fancy fountain. There you turn right and walk towards the fjord, pass the city hall all the way to the boat
GPS-location: 59.90778 10.73295 This is a nice 20 minutes walk, don't take a taxi.
